

DIAMOND CHATTER

JUNE 2020

GRADUATION EDITION

Class of 2020

To the Legendary Graduates of the Class of 2020,

There are no words to understand this crazy and unimaginable COVID-19 pandemic that has shaken the world. You have had to overcome obstacles that no one has experienced before. Words like "hoarding," "social distancing" and "global pandemic" becoming a part of your everyday language.

Look at the bright side, you got to virtual learn at your own pace and you became a pro at Zoom and Google Classroom. You were in the comfort of your own home, you got to spend lots of time with your family and probably lots of video calling your friends. All of your coaches have watched you grow into the outstanding young women that you are today. We take pride in the fact that we have had at least a small part to play in your accomplishments.

Today is your day, your moment to be proud of your accomplishments. You have not only achieved but excelled in the face of uncertainty. This is just another obstacle which you will overcome. You are a survivor, truly are one of kind, resilient, strong, amazing and you are the future. You are the memorable class of 2020 and you and your year will never be forgotten #Graduation2020.

CONGRATULATIONS YOU DID IT!!

Best,
The Lady Diamond Pros Staff
