Coaches Corner

Hello, I am Stephanie Beuther and I am 27-years of age. I played Division I Softball for the University at Buffalo as an outfielder and 1st baseman. I graduated in 2015 and became a Health & Fitness Coach while coaching a 16u Travel Softball team and a Varsity High School Team in Gilbert, AZ. I moved to New York, a couple of years ago to pursue my dream as a Private Trainer, starting my own business Beyond Fitness - specializing in strength, conditioning and rehabilitation. I recently joined LDP a month ago, to bring value and support to youth athletes who are looking to expand their softball level of competition. I have currently taken the position of coaching the outfield and am excited for our season to take off.

Coach Stephanie
